## Look past the spin. Make your vote count for real climate action.

How the parties and candidates in the seat of **Northcote** rate on taking action towards a safe-climate future.

Policies at 3 November 2010

**Independents**  
Darren Lewin-  
Hill & Adrian  
Whitehead

### Replace **ALL** of Hazelwood with renewables

Replace Australia's dirtiest power station by 2014

### No new coal

Stop construction of the new HRL coal/gas power station

### An urgent transition to renewable energy \*

100% renewable energy by 2020

### Reduce transport emissions

Prioritise public transport over freeways

### Stop logging old-growth forests

Preserve our vital carbon stores

\* Greens 40% renewable energy by 2020, Labor 25% by 2020, Liberals 20% by 2020

THIS ELECTION

**W****OTE**  
**CLIMATE**

FOR ALL OF US

At the State election, please use your vote to help create a safe climate future.

Look past the spin. Make sure you vote for a candidate who is committed to taking real action on climate change...

... while we still can.

A message from **Darebin Climate Action Now**, your local climate group.
