

CAZALY WARD CLEAN UP DAREBIN COUNCIL

With 18 candidates, many of them unknowns, some of them 'dummy' candidates, how can voters choose who to support?

We believe actions speak louder than words.

Our independent how-to-vote recommendations are based on the actions of candidates not just their 150 word statement: - what they have done in council and in the community, how they have allocated their preferences, and whether they have been responsive to community groups during the election campaign. Read more on our website.

STEP 1
Vote 1 to 3 for these candidates in this order or the order you prefer.

Susan RENNIE (Indep)
Rose LJUBICIC (Greens)
Adrian WHITEHEAD (Indep)

Three community independents and three endorsed Greens candidates - all with positive policies and positive action on key issues.

STEP 2
Put Bo LI next - write 4 in the box next to his name .

Bo LI
WARNING: Do not follow Bo Li's how to vote suggestions or you may help elect Mark TOBIAS

An independent with an interest in health who has some positive policies on our key issues. His preferences flow to community independents and then to Ananija ANANIEVSKI (part of the TOBIAS preferencing cluster) and Mark TOBIAS.

STEP 3
Put Mark TOBIAS last (18)

Mark TOBIAS

A real estate agent and property developer who campaigned against the Alphington Heritage overlay.

STEP 4: Number all the remaining candidates in any order. BE SURE TO NUMBER ALL BOXES.

STEP 5: Check you have numbered all boxes 1 to 18. Sign and date the declaration on the envelope flap. Post your vote NOW to ensure it arrives well before October 26.

darebin community network

working for a sustainable and liveable Darebin and an accountable and responsive council

Darebin Community Network is an informal communication network linking some of the 30 community groups in Darebin.
